

Perimeter Defense System

Quarterly, Bi-Monthly, or Monthly Service Contract
\$89 per selected term for homes up to 4,000 sqft

Floor-to-ceiling coverage of home for all common household pests*

**See contract for details*

Each visit includes:

1. Exterior spray of home (eaves to ground *plus* 10 ft. perimeter)
 - Surfactant built into chemical allows it to “stick” to the surface of your home and ground for a longer period of time.
 2. Webster (enhanced with chemical) to be used around porch and patio areas to decrease spider webs, dirt dauber nests, etc.
 - Provides a barrier to a common pest entry place around the home and protects your family during outdoor activities
 3. Granules distributed around perimeter of home, as needed
 4. Weepholes treated with Delta Dust, as needed
 5. Exterior plumbing fixtures treated
 6. Window sills and door frames treated for an extra barrier to pest entry
 7. Garage door and door frame treated
- No need for you to be home
 - Home over 4,000sqft? No problem! *Call us for industry-leading prices!*
 - One scheduled visit each quarter
 - Have pests in between visits? Call us, and we’ll come out free of charge
 - Debit or credit card kept on file in office, recurring auto-debit, and receipt emailed each visit
 - 24 hour call or email notification of visit
 - **Safe for children and pets!**
